

QUALITY POLICY STATEMENT

The Management University of Africa (MUA) is a premier institution in the provision of innovative management and leadership solutions that address the needs of industries and communities worldwide. Our commitment is to deliver transformative education and foster excellence in management through a culture of innovation, creativity, and continuous improvement.

MUA provides quality education by offering client-focused and market-responsive programmes and services that meet both local and global demands. We aim to be a center of excellence in capacity building for management, leadership, entrepreneurship, and governance, grounded in our core values of academic freedom, creativity, innovation, integrity, lifelong experiential learning, and social responsibility.

Aligned with the requirements of ISO 9001:2015, the University commits to the implementation, maintenance, and continual improvement of a robust Quality Management System (QMS) that not only meets but exceeds customer expectations. MUA is fully compliant with statutory and regulatory requirements, including those set by the Commission for University Education (CUE).

By maintaining this focus on quality, MUA will continue to drive sustainable development, contributing to the social, economic, and intellectual growth of our community and beyond.
